EDUCATION

UNIVERSITY OF AMSTERDAM
Msc Econometrics
2015 - 2016
Specialized in Micro and Financial Econometrics

UNIVERSIDAD CARLOS III DE MADRID
BS Economics
2010 - 2015
Specialized in Game Theory and Econometrics
Honors in Industrial Organization and Economic History

SKILLS

PROGRAMMING
Clojure • Scala • Fennel • Java
Python • R • Stan • Elisp • LaTeX

COMPUTERS AND TECHNOLOGY
Postgres • Spark • Databricks
Docker • Azure • Google Cloud
Emacs • Linux • Git • Vault

LANGUAGES
English: Bilingual • Spanish: Native •
German: Basic •
Latin & Sanskrit: Reading ability

SOFT SKILLS

I am radically curious, and selfishly interested in other people's opinions. While shy and introverted, I seem to have a good people skills.

I believe in continuous education. Thus I have attended several MOOCS, including: Functional Programming Principles in Scala, and more.

From 2010 to 2015 I played bass professionally in weddings, events, the National Spanish Concert Hall and Local and National TV stations.

Did you read right? How many people do you know with Sanskrit and Latin reading ability? That alone should grant me an interview.

OBJECTIVE

I am a programmer and statistician with experience in Functional Programming, Big Data, Time Series and Bayesian Methods. I've got significan experience working with Scala, Clojure, R and Python.
I am looking for a position that will allow me to solve complex problems using my skills in an agile and intellectually stimulating environment. I want to keep learning on the job, and I belive one of the best ways to do so is by team work.

EXPERIENCE

MINSAIT | Senior Consultant. Data Engineer
November 2022 - Present | Madrid, Spain
- Lead a team improving code quality and test coverage on a Java Spring app.
- Maintainership of a Scala, Spark and Azure product for quality control on data load.
- Handled interaction with clients.

ENTREPRENEUR | Lone Wolf Programmer
July 2021 - Novembre 2022 | Madrid, Spain
- Building an app on top of Postgres, Vault, Clojure and Luminus.

GLOVAL ANALYTICS | Senior Data Scientist
June 2019 – July 2021 | Madrid, Spain
- Automatic Valuation Model. Machine Learning based model for real state appraisal.
- Supported the data engineering, architecture and back end departments.

KPMG D&A, ADVANCED ANALYTICS | Senior Data Scientist
June 2018 – June 2019 | Madrid, Spain
- Python models for churn, cross sell, time series forecasting and price optimization.

BBVA RESEARCH | Economist
August 2016 – June 2018 | Madrid, Spain
- Conducted Topic Model analysis on Central Bank Communications.
- R tools for Google Cloud Interaction and out-of-sample model performance.

DEUSTO BUSINESS SCHOOL | Big Data Teaching Assistant
May 2017 | Madrid, Spain
Provided practical exercises on Natural Language Processing.

BBVA RESEARCH | Intern
May - August 2015 | Madrid, Spain

OPEN SOURCE

AZUFRE | A Fennel wrapper over the Azure cli
Created a tool for comfortable and repl driven Azure management.

ZIO | A Scala library for functional programming
Updated mocking documentation from version 1.0 to 2.0.

MIN-LOVE2D-FENNEL | Minimal Fennel Love2D Setup
Added a feature to use an unreleased version of LOVE2D. What could possible go wrong?
